HONOR AND GLORY

Coach Frank Bridges

Off go our hats to Mr. Bridges, coach of our championship football team, a leader among the faculty members, and an all-around good fellow. "Pud" Bridges, as he is commonly called, has been a name frequently seen in the newspapers of late . . . an honor which he has always deserved but only lately received. The newspapers speak only of him as the coach of a winning football team, but we also want to remember "Pud" as a favorite teacher and as a man who has done much in promoting advancements in the school. No honor that he could receive would be too great. More championship football teams to you, Coach Bridges!

H. M.

Sincerely, Frank Bridges

Merritt Allen

Coach Merritt Allen

We are equally proud of our basketball coach, Mr. Allen. His name, Merritt, shows that he "merits" both attention and success, which he is continually gaining. All the basketball boys are proud to call him their coach; every high school student is glad to have him as his teacher. His success has occurred, not only on the basketball floor but also in the other activities of C. C. H. S. His long record of winning basketball teams sets a record for coaches all over the state to overcome. May you also have many more successful basketball teams in the future, Coach Allen.

DEMANDS THIS BOOTH

OUR LEADERS

Henry Charles Lutz

Gene Paul Crawshaw

Raymond Ellis

Scott Gill

HENRY CHARLES LUTZ

A well-balanced and excellent all-around athlete was Henry Charles Lutz, commonly known as "Dutch". Outstanding for four years in football, basketball, and track, he achieved state acknowledgment in all three. Besides being chosen all-conference in both basketball and football he was a member of the Second All-State Eleven and took part in the state finals in basketball as well as vaulting in the track finals of the state. In golf "Dutch" was also a winner, taking first in the sectional and placing in the finals at Bloomington.

GENE PAUL CRAWSHAW

As a sophomore and a beginner in our school Gene made a letter in football during his first year. Since that time he earned and held a place on every one of our teams. Gene was one of the very few athletes in our conference who had three championship letters to his credit in football and two in basketball. As track man few excelled him in his 440 runs or in his other entries.

RAYMOND ELLIS

Susie was up . . . Susie was constant . . . Susie always came through and here is Susie, again on top. Rating along with his teammates, he went through four conference successes in football and two in basketball. In track Ellis was a sure-point man in all of our meets as a 440 man and in the 220 high hurdles. Ellis was also an assistant in our Physical Education Department. Raymond was also outstanding as a member of the City League Softball Team.

SCOTT GILL

From our first years in grade school we all remember Scott as our foremost athlete. Taking an active part in high school sports, he won three major letters and honorable mention in football his junior year. He played on four conference-winning football teams, the last setting a new state scoring record, and on two conference basketball teams which ranked in the state finals. He won an All-State position in football his senior year, was in the Junior Play, the Choral Club, and was president of the Senior Class.

IN ATHLETICS

WE WERE GO-GETTERS

Top Row: G. Smith, R. McGinnis, J. Marberry, H. Deason, R. Ellis, D. Gilmore, S. Gill, H. Curtis.
Second Row: R. Wise, C. Frey, H. Keller, L. Neal, C. Hunsaker, V. Cox, H. C. Lutz.
Bottom Row: Mr. Bridges, D. Kenney, R. Allen, W. Townes, J. Harrell, J. Chandler, G. P. Crawshaw, Mr. Allen.

OUR LETTER-MEN

It is customary for the winners of letters in various sports to gather at various times of the year and forget the boundaries which separate the games. In our school it has been the custom for the boys in our sports to hold a simple initiation ceremony every spring in the Riverside Park at Murphysboro. This ceremony is usually preceded by a good hard game of softball and followed by a feast on wieners, buns, and home-made pies of all descriptions, although the soft pies are usually seen in the greatest numbers. It does seem strange that a group of athletes who should know the value of good food and the value of training should stage a pie orgy, but they say the spirit is that of fraternal love and of appreciation for food prepared by mothers. At any rate, our boys learn to fight together, to work together, and to play together and this event emphasizes the latter.

During the past two or three years our boys have also learned to sing together, but one could never guess where they held their practice sessions, especially if the person happened to be a professional musician. Yes, the secret was betrayed at the Football Banquet. Our athletes held their musical sessions in a musical bus on their way to out-of-town games. The songs that are sung are not taken from operas, but they seemed to ease the tension before a game and they provided a means for emitting excess steam after a game. Yes, our boys have been full of pep all year; surely one pie and one more song will not lead them astray. May your victory pies and songs be long remembered!

WE WON OUR LETTERS

Dear Wade
Spear's hoping
you a lot of luck in
the rest of your school
day and the rest of your
life.
Your Pal
B. Baysinger

OUR FOOTBALL TEAM

C. C. H. S. TRAMPS ANCIENT RIVALS 26-0

For the fourth year in succession, the "Terrible Terriers" stopped their ancient rival, Murphysboro. This year the score was Carbondale 26, Murphy 0. The Armistice game featured the offensive work of "Dutch" Lutz and "Scottie" Gill. Murphy never awoke after our first play of the game when Lutz pulled a pass out of the bag and threw it to Gill, who ran over for a touchdown. Crawshaw and Hunsaker were outstanding in defense work. Crawshaw intercepted three passes, one of which he ran back for a touchdown. With Lutz throwing passes, Ellis receiving passes, and Gill running with the ball, Murphy thought that they had just had another tornado.

TERRIERS SET RECORD—SWAMP ANNA 75-0

Closing the grid campaign and assuring themselves of at least a tie for the championship of the "Big 11" Conference, the Terriers swamped Anna 75 to 0. This unbelievable feat not only broke a scoring record for the entire state but also enabled the Terriers to be the only team that was not scored on in the state. Gill scored five of the touchdowns, while his teammates scored the rest. With only a few seconds left to play Townes plunged over for the three points that were needed to break the state record. Thus ended a most succesful fotball season. The snow and the mittens have not been forgotten by the team.

BREAKS ALL RECORDS

OF OUR WHOLE STATE

TERRIERS DRUB FAIRFIELD 40-0

The Terriers, with a string of three consecutive championships behind them, successfully opened the gridiron season by defeating Fairfield, a non-conference opponent, 40 to 0. Outstanding among the Terrier squad were the performances of Gill, Townes, and Cox in the backfield, and Hunsaker, Harrell, and Ellis in the line. The "champs" clicked perfectly and after warming up in the first half, scored twenty-one points in the second period.

TERRIERS TROUNCE PINCKNEYVILLE 33-0

The Terriers defeated their second non-conference foe, Pinckneyville, by a running attack with the aid of the rest of the blocking backs but with the absence of Lutz, who was kept out of the game with an injured eye. Gill scored once on a punt from the end zone, and Bud Allen, tackle, helped out by blocking a punt for an additional six points. Most of the reserves saw action.

GILL RUNS—CARTERVILLE LOSES 51-0

Winning their third straight game of the grid campaign, Carbondale completely outclassed Carterville by a 51 to 0 score. The backfield scored at will, forwarded by the beautiful work of the line. Scott Gill scored three tallies on runs of twenty yards, fifty yards, and sixty-five yards, the last being as spectacular a run as the football fans have seen in many years. Coach Bridges substituted freely and Whalen, a substitute, scored a touchdown.

BENTON FALLS BEFORE TERRIERS 30-0

This was predicted as one of the hardest games of the season, but Carbondale had little trouble as they trounced the Benton Rangers, 33 to 0. Carbondale's air-tight defense held Benton scoreless while Ellis snagged two passes for tallies and Lutz got away for fifty-five yards deep into the enemy territory and was helped by Gill, who carried the "oval" over for the score. Cox also smashed through the line for a touchdown. So far this year—Terriers 157 points, Opponents 0.

TERRIERS BARK—DEFEAT CARMI 35-0

Playing the toughest team up-to-date, the Terriers whipped Carmi 35 to 0 in a fast game. The fast, charging Terrier line completely bottled up "Dixie" Howell, Carmi's reputed star, while Gill continued his brilliant pace with two long runs for scores. Deason and Ellis also snagged passes for scores. Lutz starred on defense. This was Carmi's first defeat in four starts and Carbondale's fifth consecutive victory.

CARBONDALE WINS FROM MARION 46-0

Marion, under-rated and considerably weak in previous starts, showed some strength but was taken into the fold by the Terrier eleven. Gill, Cox, Lutz, Crawshaw, Ellis, Deason, and Townes all scored for Carbondale, with Lutz kicking four out of six extra points. Marion intercepted a pass and advanced to the Terriers' four-yard line, but were held by a solid forward line, and thereafter Marion did not interfere with the Carbondale attack.

TERRIERS STOP ELDORADO 52-0

With the second team seeing most of the action, the Terriers downed Eldorado 52 to 0. Townes, a senior in the lineup, scored four touchdowns, three of which were from mid-field. Near the end of the first half, McBride, a junior, made a beautiful thirty-yard run for a touchdown. Harrell, acting captain, was banished from the game for unnecessary roughness. Carbondale up to this date has not been scored upon.

CARBONDALE WHIPS ELKVILLE 40-0

The Terriers were a big disappointment to the Elkville Homecomers by drubbing the small town boys by a 40 to 0 score. The home town boys started scoring early, with Townes scoring twice. Outstanding games were turned in by Neal and Allen, tackles, while Cox, Townes, and Lutz did most of the work in the backfield. The Terrier slate is still clean with 330 points scored to their opponents' none.

E. Mc.

AND CONFERENCE

TO THE QUEEN

Mary Frances Gilbert

MARY FRANCES GILBERT—Football Queen

The coronation of our Queen took place in the new gymnasium at the Football Dance on the evening of the Anna game. The ceremony was performed by the members of the team, who bore the Queen on her throne. Scott Gill, her escort and one of the most outstanding team members, placed a crown of flowers upon her head. Our Queen was a reality—all had waited to know, and all were pleased to have her—because she was one of the Carbondale Community High School's most attractive and best liked girls. The Queen of the team and of our school, Mary Frances Gilbert.

FOOTBALL INDIVIDUALS

Top Row: Herbert Deason, Lloyd Neal, Harry Keller, Charles Hunsaker, Jimmy Harrell, Robert Allen, Raymond Ellis.

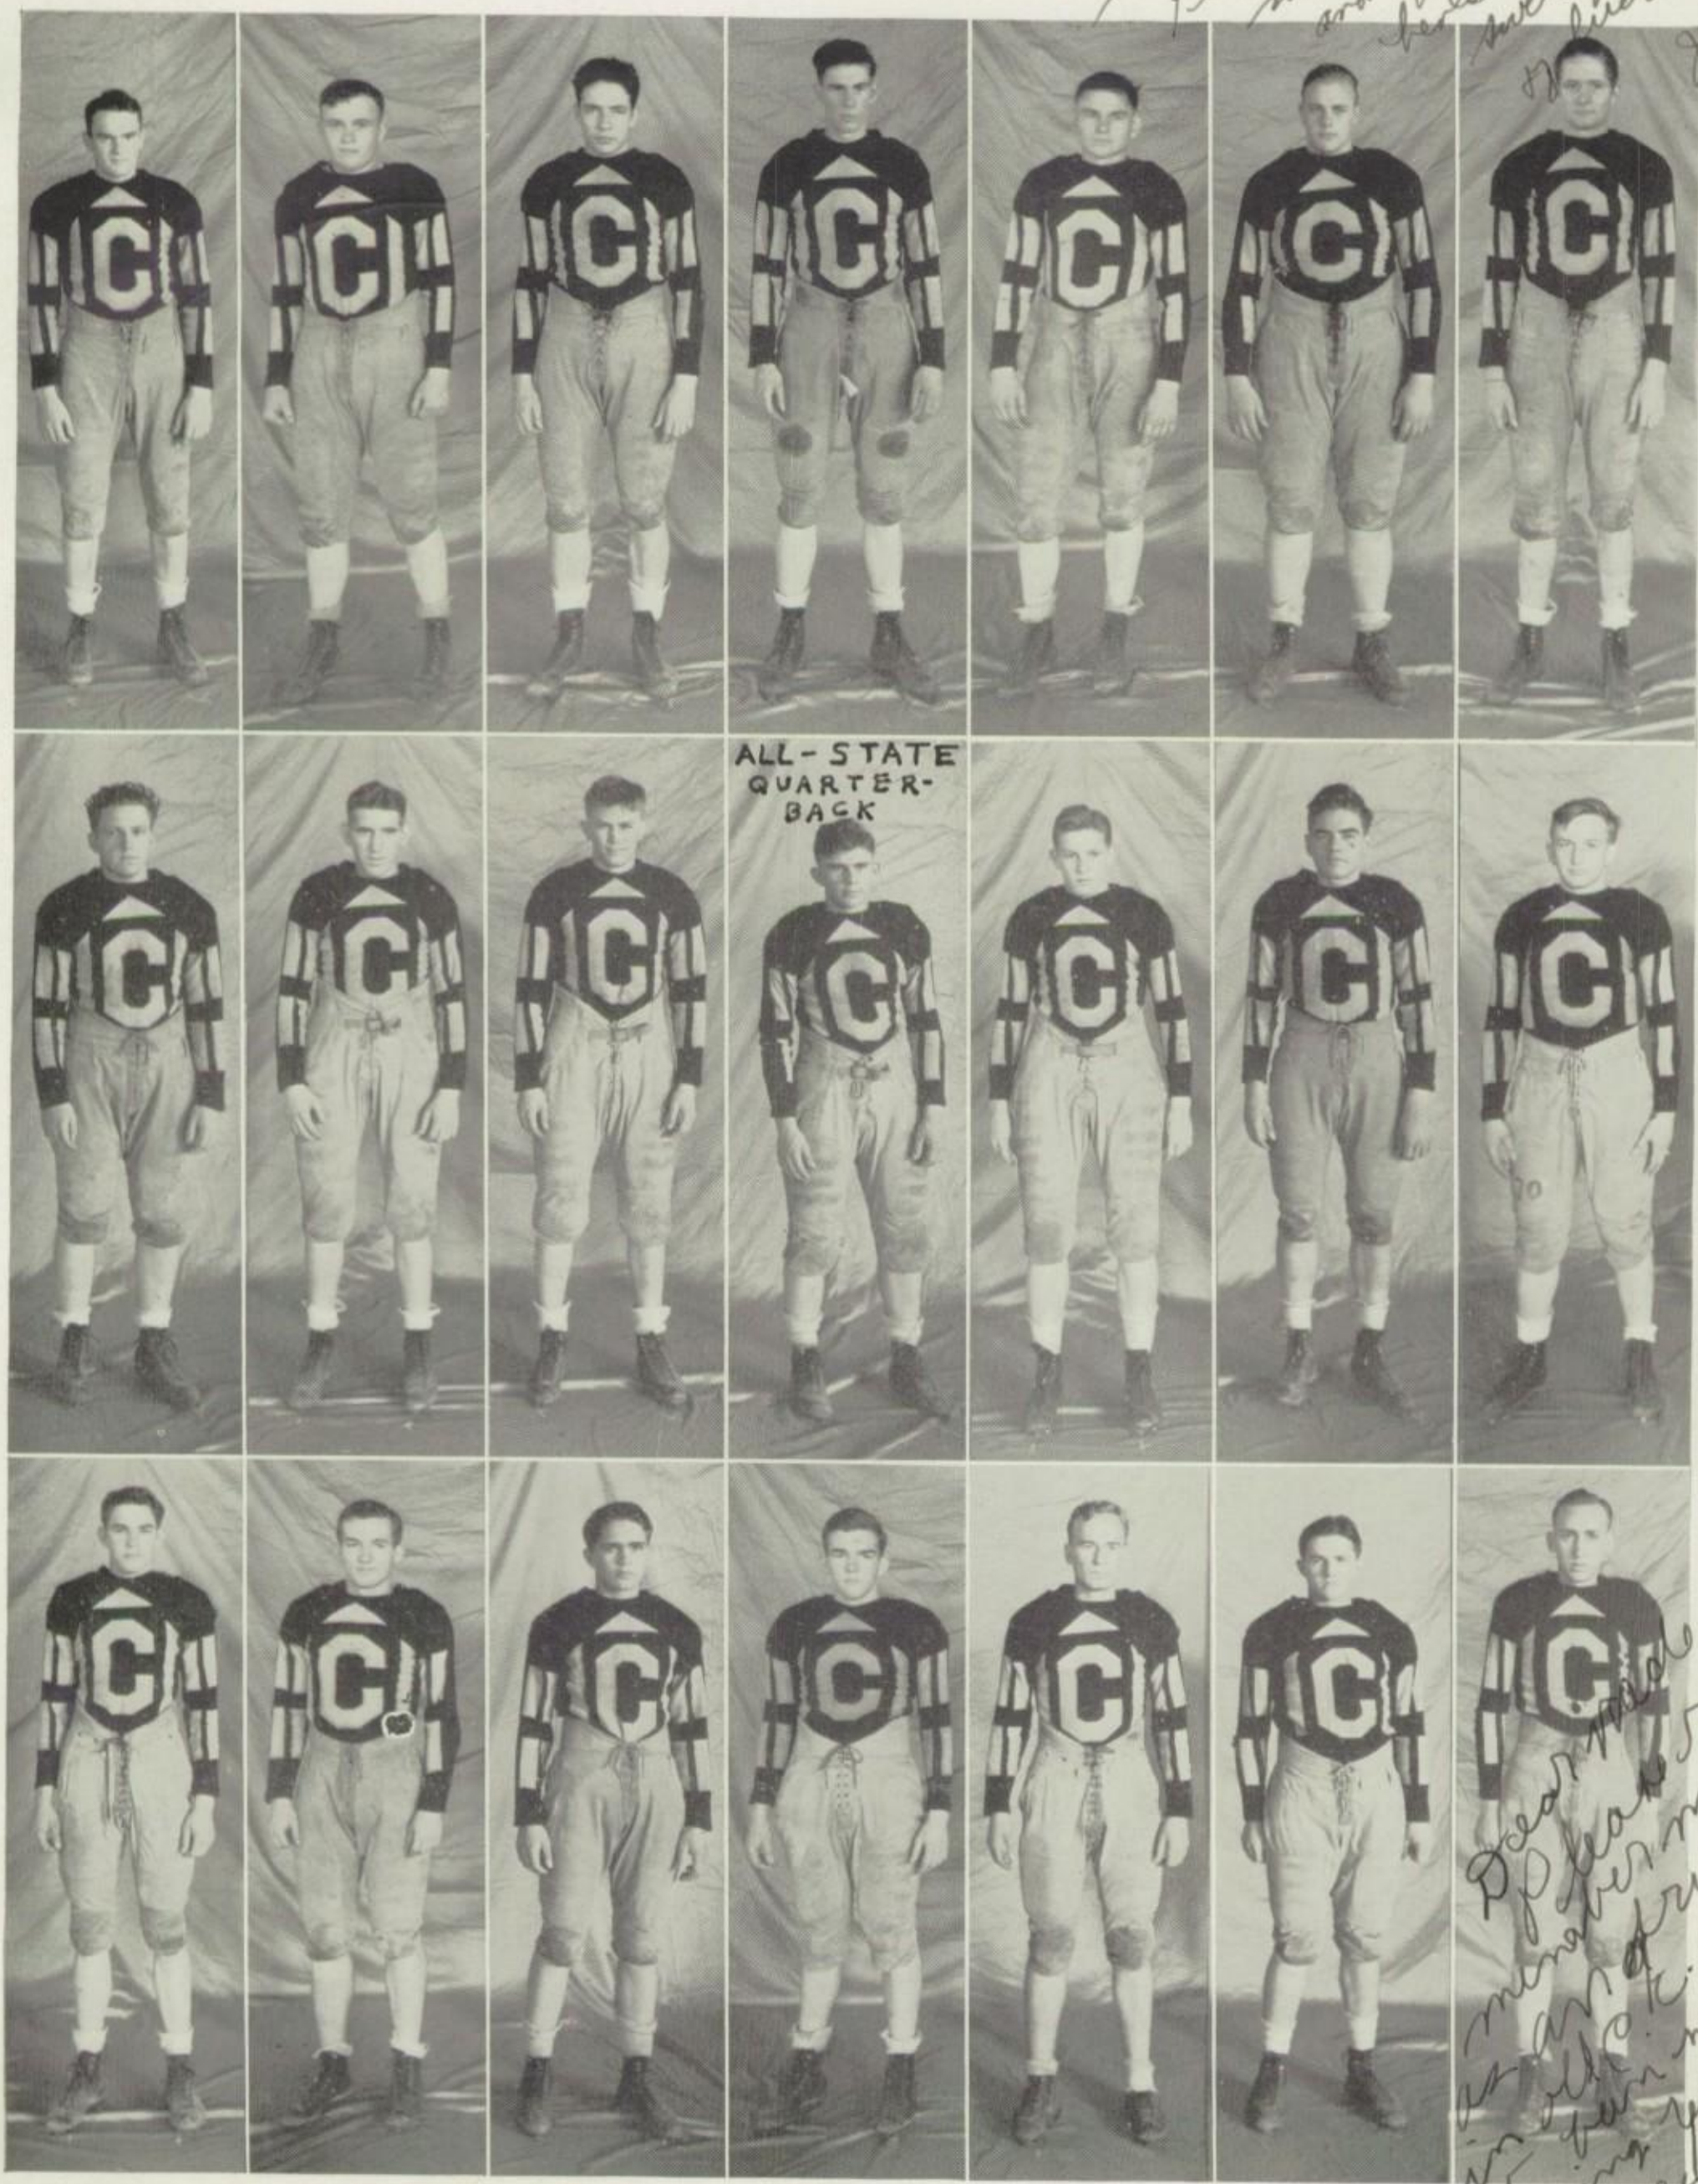
Bottom Row: Robert Wise, James Chandler, James Marberry, Hewitt Curtis, Raymond McGinnis, Elmer Kuehn, Don Gilmore.

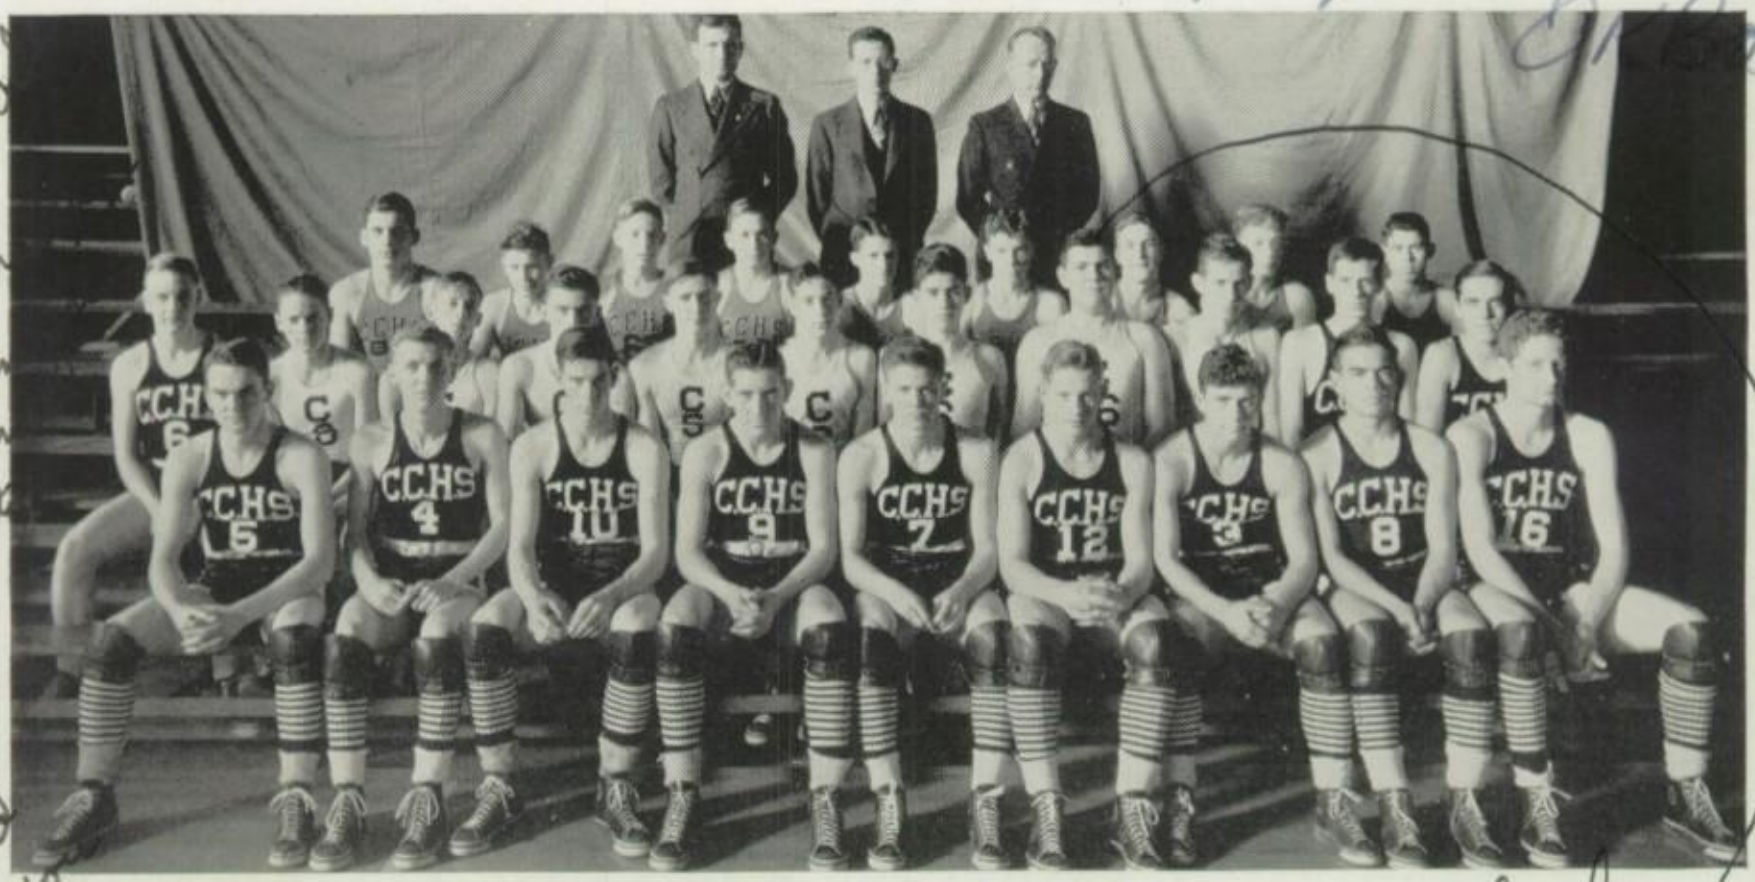
OF OUR TEAM

TO THE TEAM



OF OUR STATE

WE BASKETEERS



Top Row: Assistant Coach Bridges, Assistant Coach Bowen, Coach Allen.

Third Row: N. Crawshaw, B. Kimmel, B. Baysinger, C. Crouch, J. Tarrant, G. Cooney, C. Kelley, B. Crawshaw, L. Baggett.

Second Row: B. McBride, R. Spear, E. L. Ebbs, E. Morgan, K. Easterly, G. Baysinger, J. Kenney, G. Plater, D. Naumann, D. Raines, J. Ragsdale.

Bottom Row: H. Deason, M. Haege, C. Hunsaker, V. Cox, H. C. Lutz, G. P. Crawshaw, S. Gill, J. Townes, R. Ellis.

Special News: Carbondale won the right to enter the Sectional Tournament by defeating, Carterville, Hurst-Bush, and Herrin.

Good News: Carbondale also beat Herrin in the final game of the sectional tournament and then went to Champaign to beat Rockford in the state tournament. Luck was kind to Paris in the second game at Champaign.

BRAIDWOOD WINS PONTIAC TOURNAMENT

A fast, tricky quintet from Braidwood, Illinois carried home the Pontiac trophy. Carbondale was Braidwood's first victim, taking a 33-21 lacing. At the half Carbondale was leading, but Lutz, our most outstanding basketeer, went out via the foul route and enabled the up-state quintet to take them into their fold.

In the consolation tournament Carbondale again drew a joker for the first bracket of play, Elgin. Lutz again fouled out while Carbondale was in the lead and the locals settled to another defeat in two starts. Many northern fans were well pleased with the performances of our boys and mentioned Lutz as outstanding in the tournament.

OUR STATE TOURNAMENT HOPES

Although we regret that this item has to be written in the present tense we hope we can add a last line which will read, "Our team won the State Basketball Tournament at Champaign." Our own school is host to the regional tournament contenders and the word "victorious" is the only word we wish to use to describe the work of our team. Our conference foes seem to be the hardest opposition we expect to face in both the regional and sectional tournaments. Regardless of the results of the tournaments which are not necessarily indicative of the ability and power of a team, we feel that our aggregation is one of the best in the state and nation. Extra—Lutz and Gill were named on the A.P. All-State Team.

ALSO GAINED GLORY

BUT FEW DEFEATS

TERRIERS DEFEAT WOLF LAKE 37-20

The Terriers successfully opened their cage season of 1937-38 by downing Wolf Lake 37 to 20. The first quarter was slow and at the half the score was 19-6. A snappy last quarter attack led by Hunsaker, together with defense work of Lutz and Ellis, gave Carbondale their first taste of victory.

TERRIERS LOSE TO DUQUOIN 27-25

In the second non-conference game of the season, Duquoin barely nosed out a victory in a thrilling finish over the Carbondale basketeers. The C. C. H. S. lads led in the first quarter by an 11-2 score, but their lead was gradually whittled away. Crawshaw led both teams in scoring with a total of twelve points.

C. C. H. S. TAKES HERRIN 32-12

Opening their conference schedule on Herrin's basketball court, the Terriers drubbed the Tigers 32-12. Offensive power in the first half gave them a lead which they increased during the second period. "Dutch" Lutz and Scott Gill were the main threats for the Terriers with eleven and twelve points, respectively, while the great Campbell brothers were held to a measly five points.

TERRIERS SWAMP PINCKNEYVILLE 45-19

Piling up the largest score of the current season, the Terrier quintet easily defeated Pinckneyville by a 45-15 score. Lutz, Cox, and Crawshaw were the principal scorers, with Gill and Ellis doing plenty of defensive work. This was a non-conference game and it showed the power and speed of our team.

C. C. H. S. DEFEATS W. FRANKFORT 32-16

Winning their second conference game in as many starts, the Terriers easily whipped the Red Birds with a 32-16 lacing. West Frankfort led off to an early start, but after that Carbondale easily took the lead. The "subs," with Lutz as captain, played much of the time, especially during the last half.

CARBONDALE HIGH 42; DUQUOIN 16

Playing their best ball of the current season, the Terriers easily avenged their first defeat at the hands of the Indians. The passes and shots of the local lads were working to perfection. Cox, Lutz, and Ellis were the leading offensive threats, while Gill and Hunsaker starred on defense.

CARBONDALE DEFEATS HARRISBURG 32-16

The Terriers opened the new year successfully with a decisive victory over the Radio City lads. The game was slow until the last half when the Terriers of Carbondale finally awoke during the last half and the offensive work of Ellis and Cox, together with the defense of the entire team, won the game for the Terriers.

TERRIERS NOSE OUT JOHNSTON CITY 16-13

The Terriers nearly suffered defeat at the hands of a second place contender, Johnston City. The local boys could never seem to get ahead of the rangy boys from Johnston City but finally won the game on fouls in the last two minutes of play. Both teams scored eight field goals, while Gill was high scorer with a total of eight points.

TERRIERS DROP CARMI 30-20

The Terriers traveled eastward to emerge victorious over a fast-stepping Carmi quintet. Gill, playing opposite "Dixie" Howell, gathered twelve points and gave a good exhibition of underhand shooting which tricked his guard. Lutz, Cox, and Crawshaw played a fine floor game. The game was closer than the score indicates but the superior shooting of our basketeers finally brought them out on top.

TERRIERS DEFEAT PARIS

Traveling from Carmi to Paris, Illinois, did not seem to affect Carbondale any and they nosed out a fast, tricky, up-state team by a 23-21 score. The Terriers led up to the fourth quarter when a tall Parisian looped one to put his team ahead. Lutz starred offensively, while Ellis and Cox were the brilliant defense man. Crawshaw and Gill played their usual consistent game and accounted for some points.

E. Mc.

DID WE MEET

AGAIN OUTSTANDING PLAYERS

ANNA FALLS, 33-22

Led by the assaults of Scott Gill and Raymond Ellis, the Terriers won their fifth straight conference game from the last-place Anna quintet by a 33-22 score. Our two stellar performers, Lutz and Cox, were unable to dress but were missed very little, as the reserves were clicking perfectly. The Allenmen led 17-6 at the half and went on to score sixteen more points during the second period.

TERRIERS LOSE TO PINCKNEYVILLE 43-41

Traveling into the neighboring conference to meet a foe previously defeated on our own floor, the Terriers seemed doomed from the first quarter because of very poor offense and defense work. The whole team was badly off form and Lutz gathered most of the points for the locals.

CARBONDALE 31, MURPHY 9

Playing this game at Murphy, the Terriers seemed to find very little competition from our traditional rivals. Many fouls were called and half of Murphy's points were of the easier variety. Lutz contributed nine points while Gill totaled eleven tallies. Carbondale still leads the conference, with Herrin running second.

CARBONDALE DEFEATS HERRIN 36-31

Amid fist fights and arguments, Carbondale won another conference victory. The game was a very close one and when the trouble started, the players and rooters on both teams were ready to fight. Lutz and Cox starred offensively, while Gill, Ellis, and Crawshaw performed brilliantly on defense.

GOLCONDA 21, C. C. H. S. 42

The small town team, with a wonderful record of seventeen straight wins and no losses in the current season were only building up to a let-down when they ventured to play the "Terrible Terriers." Carbondale doubled the score at 42-21, with Lutz and Cox starring in the offensive side. Golconda completely lost hope when they first saw the fast break of the Terriers and they were never able to get on their feet.

WEST FRANKFORT FALLS, 36-30

Our boys played another close game without the aid of "Susie" Ellis. The Terriers could not get in stride, but timely baskets by Gill, Crawshaw, Lutz, and Cox kept the home-town lads in the running and they finally spurted into the lead to win by six points. Cox was the offensive star, with Lutz and Crawshaw playing brilliant defensive games.

CARBONDALE DEFEATS JOHNSTON CITY 32-31

The second game with Johnston City proved to be one of the Terriers' hardest games of the season. The name of Dutch Lutz rose to fame during those four tiresome periods. Besides being a demon on defense, he gathered twenty-one points on the offensive side. Lacking the ball handling ability of Ellis, the Terriers nearly lost a conference game.

C. C. H. S. BEATS ANNA 40-38

Still weakened by the loss of "Susie" Ellis, our squad barely eked out a 40-38 victory over Anna-Jonesboro. Lutz bore the burden of the offensive work in the first half, but cooled off considerably in the final periods. Anna's elongated center was high point man with sixteen points.

CARBONDALE WHIPS RED DEVILS 39-16

Playing Murphysboro again, this time on the home court, and aided by the reinstatement of Ellis, star center, the Carbondale boys had little trouble in defeating the Red Birds. The Terriers made baskets at random and held the county-seat quintet on defense. Lutz and Cox were high scorers for Carbondale. This game gave Carbondale the conference championship for this season.

HARRISBURG FALLS, 23-18

Harrisburg nearly obtained Carbondale's scalp in the last conference game. Lutz, Gill, Ellis, and Crawshaw played fine defensive games. Crawshaw was held scoreless for the first and only time in the 1937-38 season. The Terriers closed with a remarkable record, losing four non-conference games and winning every game against "Big Eleven" foes.

BREAKERS OF HEARTS

WE BROKE

TRACK

Track is a sport which has almost unlimited possibilities with regard to the number of boys who can obtain competition against boys from other schools. Track is more or less an individual sport, but there are possibilities for team work and school spirit in a track meet. The relay races offer opportunities for team work and no one can refrain from cheering a runner to greater efforts in a race of individuals. No sport offers more opportunity for exercise out in the sunshine and fresh air. No sport offers more opportunity for individual betterment and conquest of self.

The boys of our school have realized these things and have taken advantages of the facilities offered for track in the past; we know that the boys will make good this spring. Coaches Allen and Bridges have scheduled some dual meets as well as some relay meets. It is hoped that our boys will improve the records of past track teams and continue the successes of the football and basketball teams. We should be able to make some of the schools to the east of us believe that we have a track squad. We should have several to qualify for the State Track Meet in Champaign. There is hope for the largest squad in the history of the school. Are we taking the advantages offered?

Last year we had one entry who went to Champaign to compete in the pole vault.

TENNIS

Tennis is a sociable sport because this is one sport in which boys may play with girls. Although we apparently have not had any girls who could compete in meets, we have had in the past some boys who have done well. During the past few years a number of entries from Carbondale Community High School have been successful in the sectional meets and have earned the right to go to Champaign.

May there be more tennis players this spring to use the courts which have been provided by the community and the school board. Advantages which are never taken mean nothing in our lives. Let us do our part to build up interest in an inexpensive game which can be played long after we are out of high school or college.

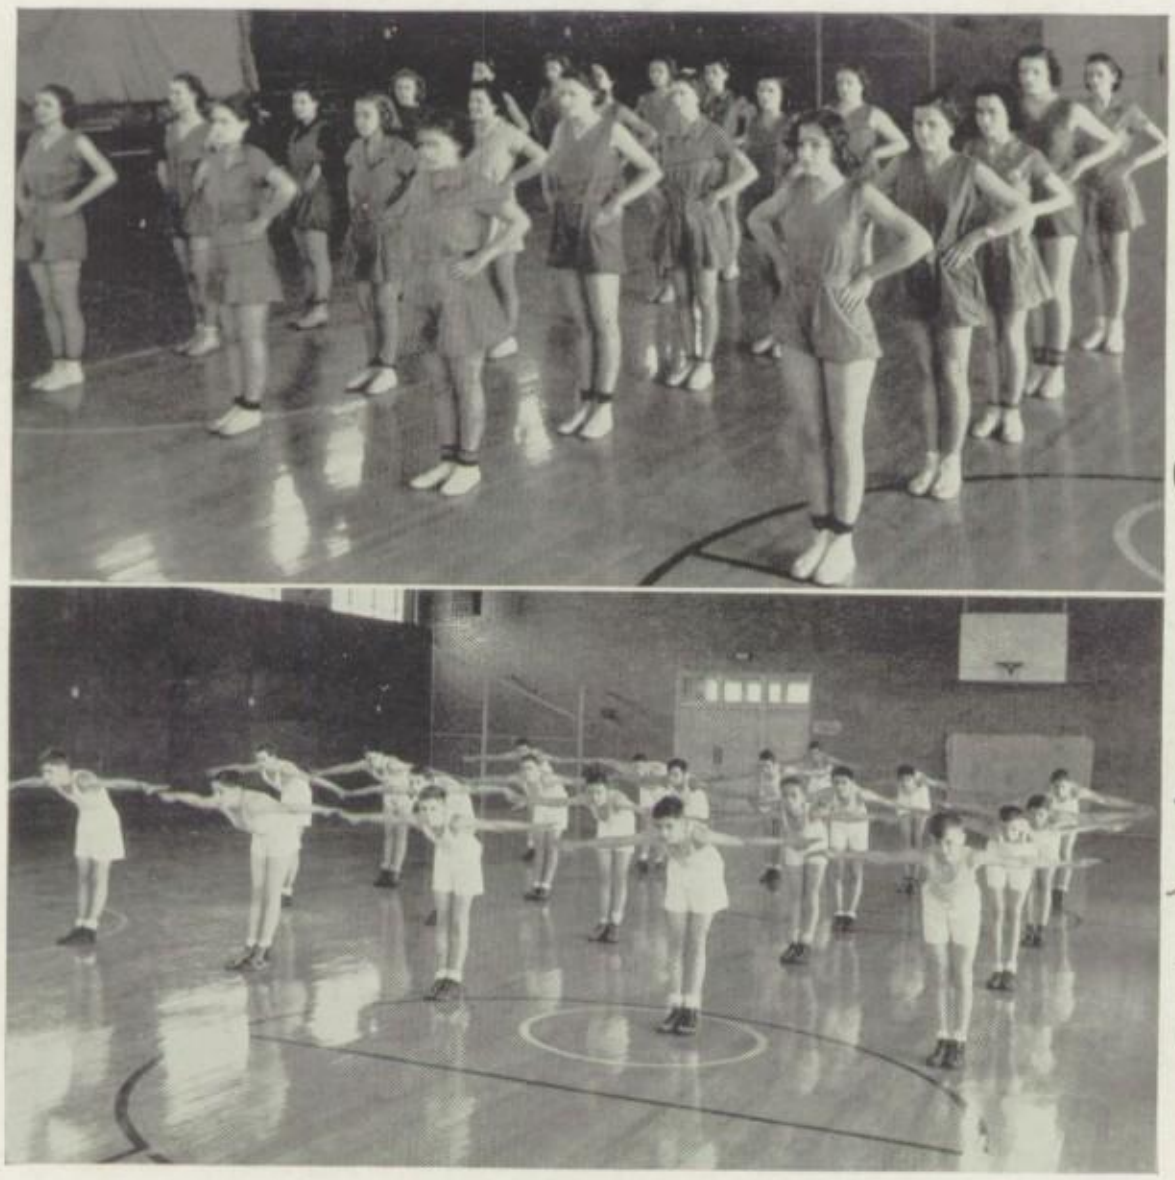
GOLF

Although our school is not equipped to offer golfing privileges, there are a number of golf enthusiasts who like the game and play as much as they possibly can. It is a sport which offers outdoor exercise.

Our school has been represented in the past by Community High entries and it is the hope that we may be again represented in district and state tournaments. Men to arms! Men to clubs!

MORE RECORDS

ALL PERSONS WISE



Dear Hade,
I didn't know you till you came into my Geometry class but I feel that you are a swell friend now. I won't forget you when I'm headed west who's at the time me. Diane

PHYSICAL EDUCATION FOR GIRLS

During the year of 1937-38 the Girls' Physical Education program has covered a number of different sports. To a certain extent, the program has followed interesting sports adaptable to the particular season. In the fall, considerable time was spent on soccer skills, a sport somewhat related to football. During the winter months the class time was spent in drill on basketball technique and play of the game itself. The spring days wound up events with baseball as the chief sport. In addition, the classes participated in newcomb, volleyball, calisthenics, dancing and minor sports, such as deck tennis and shuffle-board.

BOYS' PHYSICAL EDUCATION

Physical Education classes for boys under the leadership of Mr. Vernon Hicks took great strides in the advancement of inter-class athletics. Mr. Hicks drilled the classes in calisthenics, boxing, wrestling, basketball, tumbling, baseball, and track to a certain extent. The boys, mostly freshmen and sophomores, with athletic-inclined seniors acting as assistant coaches, worked hard and entered the most talented boys in the Southern Illinois Mardi Gras. Mr. Hicks came to us from the Southern Illinois Teachers College as a highly recommended Physical Education instructor. He is well-liked by all the fellows and they have cooperated to the utmost to promote good fellowship among fellow students.

PEP CLUB

With brilliant uniforms, a snappy step, and enthusiastic cheers, our teams were encouraged on to victory by this group of forty-one girls. Although this was a rejuvenated club, it has become one of the most prominent clubs in school.

At every local football game, at Benton, and at Murphysboro, our Pep Club was present cheering every good play, encouraging the players when there was a fumble, and lending spirit to the occasion.

The Pep Club went to all of the basketball games held in Carbondale, sat in a body, and led the crowd in cheers. Their constant support helped the team to win the conference championship. The group followed the team to Pinckneyville and Murphysboro.

Not only was the Pep Club a success in cheering for our players, but also the girls of this organization showed their ability as financiers, cooks, and entertainers. The Pep Club bought hats, and they have attempted to pay for them by various methods.

With outstanding leaders to head such an organization, they went forward. Aline Smith was elected President, Myrna Seifman was made Secretary and Treasurer, and Adelaide Ketring was elected Sergeant-at-Arms. They chose Mary Alice Gordon, the only upper classman who was elected to membership, Mandy Kennedy, Helen Engleke, and Betty Sponsler cheer leaders. Alice Albon was drum major and Miss Springer and Miss Mohlenbrock were the sponsors.

GAVE US WISDOM

OUR LEADERS

Imogene Farner

Jewell Deniston

Anna Mae Stanley

Jack Barrow

Dear Wade,
Here's lots of luck and success in the future.
Jack Barrow

IMOGENE FARNER

In her commercial studies Imogene has won renown. She was so efficient that she was called to do the work of Mrs. Neber when the latter was ill. Miss Farner has not only been a leader in scholastic fields, but also she has been a very dependable and devoted worker in the field of dramatics. She served as president of the National Thespian Society in our school during the past year and has also appeared in several major productions.

JEWELL DENISTON

Salutatorian of her Eighth Grade Class, Jewell has come to Carbondale Community High School and for three years maintained a scholastic average of ninety-three. She had a leading part in the Junior Play and has done much of the technical work on the many stage sets. The set for the operetta was designed and painted by Jewell and her assistants. She was a member of the Speech-Arts Club and of the National Thespian Society.

ANNA MAE STANLEY

Anna Mae Stanley has, after three years in our school, maintained a scholastic average of ninety-five. As an outstanding student and person of untiring effort in activities, Anna Mae was one of the most valuable members on the Monitor Staff and was a member of the Hi-Tri Club. Her musical ability was shown by the fact that she played an instrument in the school orchestra.

Her favorite hobby is reading and her ambition is to become a teacher.

JACK BARROW

Jack Barrow, one of our most energetic students, has been continuously active, both in extra-curricular and scholastic work. Through his first two years in Carbondale Community High School he has maintained an average of ninety-three and at the same time has done much work toward a fuller life in Carbondale Community High School. Among the under-class members of the Hi-Y, Jack has been the most outstanding, often giving new ideas backed with an energy which has proven very beneficial to the club as a whole.

IN CLASS WORK

WE THANK THESE MEN

LEFT TO RIGHT: C. J. Thomas, H. C. Marberry, H. W. Patterson, E. R. Crandle, W. E. Arnold.

Behind the entire student body stands a small group of men whose function is to watch and to guide that student body. Such are the duties of our school board, aided by Mr. Ketring, principal, and Mr. Draper, assistant principal. It is to this administrative body that we owe a school gymnasium —one that can be used for athletics, together with other activities, the selection of good teachers to teach us, and a wise governing of our extra-curricular school life—one that is not too lenient or not too strict. We appreciate the efforts of our administrators.

SENIOR CLASS HISTORY

In the fall of 1934 another freshman class entered the Carbondale Community High School to begin its high school life. Now, in the spring of 1938, we look back on the days when we were but green freshmen; now, as sophisticated seniors, we are looking forward to graduation.

All throughout our high school days, we have been known as an outstanding class in scholarship, athletics, and in all other activities. During our senior year we have been given that opportunity to display our abilities. Superior leadership in the field of football helped us to win the conference championship. Seniors who were lettermen were Deason, Neal, Keller, Hunsaker, Allen, Ellis, Smith, Gilmore, Townes, Kuehn, Crawshaw, Curtis, Gill, J. Marberry, Lutz, Cox, Chandler, Frey, and Wise. On our basketball team the seniors again took the lead. They played outstanding games, made brilliant by quick thinking and speed. Those who received letters were Gill, Lutz, Ellis, Cox, Crawshaw, Haege, Townes, Deason, and Hunsaker.

The school has made unusual progress in the field of speech under the direction of Mr. Fessenden, with the capable assistance of the senior class. Harry Keller, David Krause, Ted Ludwig and Marguerite Davis had the leads in the all-school play, with an able assisting group of other seniors. The seniors led the school in membership in clubs and also dominated most of the other activities of the entire school.

So comes the end of the high school life of an outstanding class; they will not be soon forgotten.

JUNIOR HISTORY

We, the juniors of 1937-38, with Miss Brubaker and Mr. Bowen as our sponsors, are steadily progressing through our third year of school life at Community High, and toward the goal which we are determined to reach . . . to be distinguished and outstanding seniors of the Carbondale Community High School.

We found that we had some exceptionally talented students in our class who were vividly characterized in the Junior Play and operetta. Not only was this ability shown in the acting, but also it was demonstrated in the staging of the productions.

Our class has increased since registration by some who have come to us from other schools during the year. We proudly welcomed these new students and hoped that they would continue on with us during our senior year.

Our class was still well represented, as it was last year, on the Monitor staff. Junior members on the staff were Charles Hamilton, Anna M. Stanley, Helen Hollabaugh, Quentin Bradley, Allen Tuegel, and Mildred Fly. Jewell Deniston continued to be a member of the Dial staff.

We greatly anticipated the crowning event of the year . . . that of entertaining the seniors in the Junior-Senior Banquet.

May we be as successful next year in the life which the seniors have left behind them.

SOPHOMORE CLASS HISTORY

With our very efficient officers as leaders, this class has played a fine game during the year of 1938. In the first half we had our charming little lady, Winona Marsh, who was one of the outstanding characters in the operetta, "Jerry of Jericho Road." Let us not forget Bill Holder and Wade Richards, who were members of the supporting cast of the same production. We cannot forget the football players who represented our class in athletics and of whom we will expect a great deal in the future.

During the last half we were greatly aware of our ever shining basketball stars who gave us many a thrill in the preliminary games. Among those whom we think deserve mention are Naumann, Spear and Morgan. And last, but certainly not least, we were represented in the field of scholarship by Grace Krappe and Jack Barrow, who also helped to make the sophomore class a very good class.

FRESHMAN CLASS HISTORY

The morning of August 31, 1937 found one hundred twelve boys and girls about to enter the portals of Carbondale Community High School for the first time, ready to take up the responsibilities of freshmen.

In this group of students, it was possible to uncover much talent. The first day of football practice found twenty-two boys on the field ready to serve as punching bags. Nine boys responded for basketball practice and a few went out for track.

Betty Milligan was chosen freshman editor for the Monitor and Betty Hall freshman editor for the Dial.

There were several members of our class in the Choral Club, and Helen Marberry was awarded a speaking part in the major musical production of the year, "Jerry of Jericho Road"; Virginia Krappe was a member of the girls' quartet; Jean Ingram and Betty Milligan were given parts in the All-School Play.

To lead the majestic march of this class for 1937-38, we chose for our officers those whose names are listed above. We were fortunate in having Mr. Allen and Miss Morgan appointed as our sponsors.

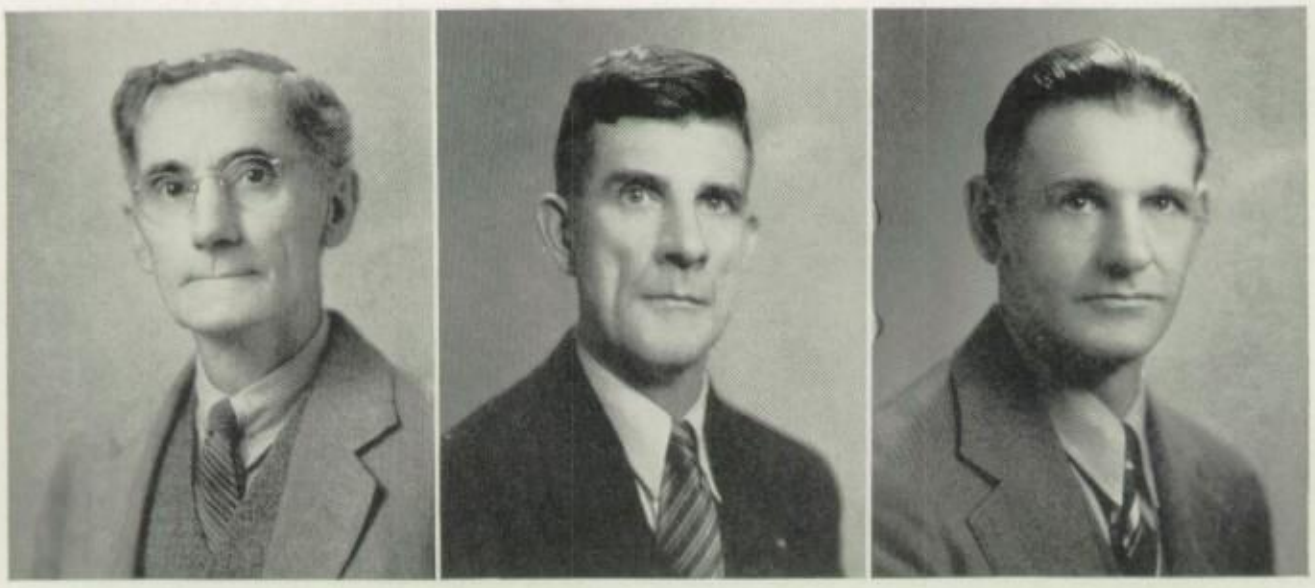
OF 1941

WE TRY TO DO



MR. RENO MR. ULREY MR. GOODING

OUR AIDES

There are three people here in our school who work harder than all the rest, get disgusted more than all the rest, but receive much less praise than all the rest. These three people are the janitors, Mr. Reno, Mr. Ulrey, and Mr. Gooding. Mr. Reno cares for the whole first floor, the lower halls, the assembly hall, and the grounds outside. Mr. Ulrey serves as the night watchman and while watching, he cleans all the upstairs rooms and fires the furnace. Mr. Gooding is responsible for the gymnasium, the dressing rooms, and the firing of the furnace during the day. During the summer he cares for the grounds and makes general repairs. We want to remember these janitors as friends of us all.

H. M.

OUR SCHOOL

During our early years of life we form many habits which are carried over into adult life. Men of good behavior are usually more careful of the property which belongs to others than they are of their own property. If we become very careless in the care of our own property, the care which we exercise over the property of others decreases. Are we exercising the greatest possible care over the treatment of our own property about the school? Are we following the precepts of the society in exercising even greater diligence over school property? Are we, as students, attempting to keep our school as clean and tidy as our homes? Are we doing our best to preserve for future use the equipment which the community has provided? If we think of these things, we cannot help but be of assistance to the men who do all in their power to make this a tidy school.

AS MUCH FOR YOU

OUR LEADERS

Nancy Cooper

Charles Hamilton

Tommy Easterly

Bill Cook

NANCY COOPER

Yea team! Yea team! Fight, fight, fight . . and win . . . and Nancy has won! She has been one of our most ardent fans in athletics. As an individual athlete she was runner up and medalist in the Southern Illinois Golf Tournament. She has also been a contestant in four invitational tournaments. In school life Nancy was president of the Hi-Tri Club, a member of the band, and a member of the Monitor Staff. She has studied in the American Conservatory of Music in Chicago for some time. In brief, Nancy was one of the most outstanding persons in our school in social, scholastic, and extra-curricular activities.

CHARLES HAMILTON

Success is the word which marks the school life of Charles. Football team member, Junior Play lead, H. M. S. Pinafore role, Jerry of Jerricho Road cast, president of the Junior Class, National Hi-Y convention delegate and officer, Speech Arts leader, first in State Tenor Solo, and well-liked social personality are all parts of his success. Among the few who could be complimented in each of three divisions of our school work we again find Charles.

TOMMY EASTERLY

Activity . . fun . . leadership . . Tommy. As a freshman Tommy was our lightest football prospect, fighting with a spunk that has carried him far in our school life. In dramatics and in chorus Tommy has had several leads. A member of the Monitor Staff for two years as Sports Editor, his work merited him the position of Editor-in-Chief during his Senior year. His press activities have taken him to several conferences. He was a critic in the Southern Illinois Conference held at Southern Illinois State Normal University this year.

BILL COOK

Bill was a true leader in our school activities as well as in the many school friendship activities in our conference. His work here won for him the honor of being among the fifty selected from the nation for the Northwestern University summer training in debate and leadership. This year Bill has been active in debate, winning his way to the semi-finals in the Pinckneyville tournament as a colleague of Nancy Cooper. Bill, a Hi-Y member, was also president of the Southern Illinois Older Boys' Conference.

IN ACTIVITIES

OUTER ROW: R. Lockerby, Q. D. Miskell, J. R. Parrish, V. Casper, T. Ludwig, E. Thrailkill, H. Townes, G. Watson, G. Denison, F. Claunch.

SECOND ROW: C. Gent, R. Henson, C. Burgess, B. Hall, B. Louden, P. Smith, I. Hoffman, M. Kenney, D. Robertson, M. Caplinger, E. Fligor, J. Orten, P. Menteer, G. Henson, B. Holder.

FIRST ROW: H. Marberry, N. Cooper, M. K. McMillian, B. Maddex, B. J. Burgess, J. M. Gent, M. Klein, H. Barkley, M. A. Smith, W. Richards, L. Cotton, H. Yates, F. Owens, L. Burger, C. Bell, Mr. Calhoun.

THE BAND

Under the able direction of Mr. Calhoun, the enrollment of the band increased to forty-two players this year. By this addition of extra players and also by the addition of several new instruments we found that we had the best band the high school has ever produced.

The band, this year, was really a live-wire band. It gave several concerts, played for all the important home games, took trips to Benton, Marion, Murphysboro and Pinckneyville, and participated in the activities of the Southern Illinois Teachers College Homecoming.

The big event of the year to which all of the band members, including the director, looked forward was the District Band Contest, which was held at the Teachers College on April 1 and 2. The band made an exceptionally fine showing considering its size and instrumentation. We think that this has been a very successful year for the Carbondale Community High School band.

HOME-MAKERS CLUB

THE OPERETTA CAST

CAST OF "JERRY OF JERICO ROAD"

"JERRY OF JERICO ROAD"

The operetta of this year, "Jerry of Jerico Road", was very successful, as shown by the fact that it was presented two nights, December 1 and 2.

The character parts were taken by Winona Marsh, Charles Hamilton, Tom Easterly, Earline Yates, Dorothy Reeder, Bill Holder, Alice Marberry, Helen Marberry, Ted Ludwig, and George Wham. They were assisted by the singing and dancing choruses.

The music was directed by Mr. Calhoun, the staging and acting by Mr. Fessenden, and the dancing by Miss Springer and Miss Mohlenbrock.

ORCHESTRA

Although the orchestra, under the able direction of Mr. Calhoun, gave no public performances alone, it was, nevertheless, a very necessary group. This year it helped in the production of the operetta, the Junior and Senior Plays, and also played for the Commencement Exercises. It was made up of players from the band and was greatly aided by outside players who came to assist.

Even though it was not a very large group, skill made up for this defect.

How about a regular orchestra next year, Director Calhoun?

OUTSIDE CIRCLE: Klein, Cooper, Marberry, Ludwig, Cotton, Townes, Mr. Calhoun, Claunch, Thrailkill, Bell, Miskell, Parrish.

INSIDE CIRCLE: Smith, Farner, Stanley, Burgess, Fligor, Burgess, Champion, Wilson, Menteer.

THE ALL-SCHOOL PLAY

BACK ROW: Tarrant, Davis, Keller, Ludwig, Ingram, Reeder, Easterly, Norton, Chandler, Milligan, McHugh, Holder, Krause, Phillips, Townes.

FRONT ROW: Garrett, King, Hamilton, Kuchor, Deniston, Wardlaw, Scott, McMillan, Coach Fessenden, Taggart, Hall, Seibert, Ebbs.

THE ALL-SCHOOL PLAY

A crowning event of the dramatic year was the production, "The Call of the Banshee", our all-school play. This was the first all-school play that Speech Arts Club has presented in many years.

The play, "The Call of the Banshee", a mystery play, was selected by Mr. Fessenden as one of the most thrilling mystery plays on the market. The cast proved to be excellent; the stage settings were outstanding and the result was an outstanding production. May we have more and mightier all-school plays in the future, Mr. Fessenden.

M. K.

JUNIOR PLAY

The Junior Play, "This Genius Business", was the first of the school plays presented during a very successful season. Charles Hamilton and Margaret Mae Post made very good geniuses while Gene Seibert, Jewell Deniston, and the supporting cast added to the humor of the occasion. Much credit should be given to Mr. Fessenden and the members of the Junior Class who worked very hard to make this Junior Play a big success. Again the stage, which was made under the direction of Mr. Fessenden, was a credit to the boys who had labored as a stage crew.

M. K.

Coach S. A. Fessenden, Jewell Deniston

Quentin Quesnel

Monsieur Quentin Quesnel
14 rue de Bourgogne
Paris 7ème

Paris, le 15 Juin 1789

Monsieur,

Je vous prie de bien vouloir m'excuser de ne pas avoir répondu plus tôt à votre aimable lettre du 3 courant. Mais j'ai été très occupé ces derniers jours par les préparatifs de mon mariage avec Mlle Hortense Dupont-Lefèvre, qui aura lieu le 20 juillet prochain à Versailles.

Je vous remercie de votre offre de service concernant la vente de mon hôtel particulier de la rue de Bourgogne. Je suis en effet à la recherche d'un acquéreur, et votre proposition m'intéresse. Pourriez-vous me faire parvenir une estimation de la valeur de l'immeuble ainsi que la liste des pièces à fournir pour le dossier ? Je souhaiterais également connaître vos honoraires et vos conditions de paiement.

Dans l'attente de votre réponse, je vous prie d'agréer, Monsieur, l'expression de mes sentiments distingués.

Quentin Quesnel
